To Whom It May Concern:

This letter is written on behalf of Armando Rodriguez. I was Mr. Rodriguez's supervisor at Haas Middle School from August 2013-April 2014 where he served as our Assistant Principal. I know Mr. Rodriguez to be an innovative and creative educator. He is also very resourceful in seeking out community support and sponsorship for school activities/events that promote increasing student achievement and moving the school forward.

Mr. Rodriguez is also dedicated to his own professional development. He attends meetings, workshops, and all campus in-services in his efforts to share this newly acquired knowledge with teachers/staff. He is also an avid reader and loves to share his knowledge of research-based best practices.

I believe Mr. Rodriguez would be an asset to have on any team, and I respectfully request that you consider Mr. Rodriguez for a position at your campus/district. I am confident he will do a fantastic job!

Sincerely,

A handwritten signature in cursive script that reads "Lynda De Leon".

Lynda De Leon, Ed. D.
